### TO PREVENT FRAUDS.

To present frauds in the primary election of any party the primary law of 1907 in section 25 of the act provides: "Any qualified voter of a pre-

cinct who has voted or intends to vote in such precinct upon the ballot of any political party may challenge any other person offering to vote, in such precinct at such primary, upon the ballot of the same political party, on the ground that such person is not an adherent to that party. \* \* \*

\* \* " If challenged on the ground that he is not an adherent to the party upon whose ballot he intends to vote, such person shall not be entitled to vote unless he make an affidavit to the effect that he voted at the last preceding election for a majority of the candidates of the party upon whose ballot he intends to vote at such primary, or if he did not vote at the last election at which he voted, and that such voter so challenged intends at the election for at such primary are to be voted acquaintance of the man are being for, to vote for the candidates nominated by such party at such being made he shall be allowed giving the impression that he had
